Notes:

Best 3 rounds

At least 1 score on each course. This software cannot distinguish between our 2 courses so reference should be made to manual pdfs circulated periodically. This report gives a rough guide.

The best 3 rounds by each player count towards their total.

COUNT identifies the number of scores counting for each player.

MIN and MAX identifies the lowest and highest scores of those counting.

COUNTBACK is the players' score over last 9 holes, then over last 6 holes, then over last 3 holes and finally last hole score only (from their best scores combined together), used to resolve ties.
